*Re: Notice of Ex Parte Presentation – CG Docket No. 10-213, WT Docket No. 96-198,
CG Docket No. 10-145*

Dear Ms. Dortch:

This is to notify you that on September 28, 2011, Julie Kearney, Vice President, Regulatory Affairs, Consumer Electronics Association (“CEA”), met with Dave Grimaldi, Chief of Staff and Media Legal Advisor, Office of Commissioner Mignon L. Clyburn, and Louis Peraertz, Legal Advisor, Wireless, International, and Public Safety, Office of Commissioner Mignon L. Clyburn.

Consistent with its comments, reply comments and ex parte notices in the above-captioned proceedings,¹ CEA emphasized a need for at least a 24-month phase-in period for implementation of the final CVAA rules.

CEA and our members are committed to working with members of the accessibility community during the phase-in period. Currently, CEA hosts an accessibility standards working group that works on specific accessibility-related projects (for example, it is completing its work on the nib found on the “5” key on remote controls). This group represents an ongoing industry-accessibility partnership and is open to anyone with a material interest in the standards being crafted for consumer electronics devices. It is an excellent forum for the technical work that enhances accessibility to consumer electronics. CEA welcomes participation from members of the accessibility community. In addition, CEA will urge our members to engage in a constructive consumer-industry dialogue during the phase-in process.

¹ See Comments of CEA, CG Docket Nos. 10-213 & 10-145, WT Docket No. 96-168 (filed Apr. 25, 2011) (“CEA Comments”); Reply Comments of CEA, CG Docket Nos. 10-213 & 10-145, WT Docket No. 96-168 (filed May 23, 2011) (“CEA Reply Comments”).

Pursuant to Section 1.1206 of the Commission's rules,² this letter is being electronically filed with your office and a copy of this submission is being provided to the meeting attendee from the Commission. Please let the undersigned know if you have any questions regarding this filing.

Respectfully submitted,

/s/ **Julie M. Kearney**

Julie M. Kearney
Vice President, Regulatory Affairs
